

Father  
André  
Prévot, scj

*The measure  
of charity  
must overflow*

Chapel of the Dehonian novitiate,  
built by Fr. André Prévot, scj  
Leienbroek - Sittard (Netherlands)

# Father André Prévot, scj

Fr. André Prevot was born in Le Teil (France) on November 9, 1840. In 1885 he entered the Congregation of the Priests of the Sacred Heart of Jesus. He was a Novice Master, then Provincial Superior and Assistant General.

Throughout his religious life he consecrated himself to the love of the Heart of Jesus and to reparation. He practiced mortification; he loved the interior life and continuous prayer and was animated by an ardent zeal for the salvation of souls. His union with God was habitual and he had great devotion to the Eucharist and to Mary. Self-denial and austerity of life harmonized with charity, patience, gentleness and goodness. His books transfused all of his spiritual, humble, serene and confident features.

He died in Brugelette (Belgium) on 26 November 1913.

## Prayer

Divine Heart of Jesus, we adore you and love you as the source of all grace and holiness.

Where a ray of your love rests, the most beautiful virtues flourish.

Thus you loved Father André Prévot.

Introducing him to the mysteries of your pierced Heart, you gave him humility, a victim spirit, and filial tenderness for Mary Most Holy.

Above all you inflamed his heart with divine love and you made it beat to the rhythm of a charity that surpasses every measure.

Therefore we pray to you, O Divine Heart of Jesus, to glorify your faithful Servant and to arouse in us a longing for holiness.

Guide us through the difficult paths of virtue, especially of humility and mortification, and, through his intercession, grant us and our loved ones the gift of peace, the grace that we ask of you... and the final perseverance in your Heart. Amen.
